

Judi, a cancer survivor who lives with cerebral palsy, reminds us that living with a disability does not make us immune to breast cancer. And early detection is the key to living.

If you're over 40, check your breasts regularly, and have a mammogram and a clinical exam every 1—2 years. For more information, visit www.cdc.gov/RightToKnow or call 1—800—CDC—INFO (232—4636); 1—888—232—6348 (TTY).
